

# EKA 1000 FV

## VELCRO BACKING RANGE

EKA 1000 FV is a general purpose product suitable for a wide range of applications and materials.

The efficient and durable aluminium oxide grit together with the robust paper backing enables high material removal rate and fine surface finish. The antistatic paper backing together with an open coating, reduce clogging to a minimum, improving the life time of the product and contributes to a minimized dust load on the sanding surface.

**Note:** This product is only available as B-Range product.
